First Class Valet  
70 Yorktown Center  
Lombard, Illinois 60148

Dear First Class Valet,

On behalf of the Associate Leadership Council, staff and volunteers of the American Cancer Society, IL Division Inc., please accept our appreciation for your generous donation of the valet services for the 2010 Black & White Ball silent auction.

Proceeds from the Black & White Ball benefit the American Cancer Society, the largest community-based voluntary health agency in the world. Our mission is to eliminate cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer through research, education, advocacy and service. In 1913, when the American Cancer Society first began its work, the five-year survival rate for all cancers was only 10%. Today, our volunteers and donors, as well as all those who will be touched by this disease, celebrate a 65% five-year survival rate for all cancers.

The success of Black & White Ball would not be possible without donations made by companies and individuals like you. Thank you again for your contribution and support of the American Cancer Society.

Sincerely,

Shelley Brown,  
Distinguished Events Officer
